

Memorandum

Date: October 1, 2013
To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners
From: Carlos A. Gimenez
Mayor

Agenda Item No. 8(F)(6)

Subject: Recommendation for Award: Marketing and Management Services for Indoor/Outdoor Commercial Advertising Structures/Spaces and Print Media

Recommendation

It is recommended that the Board of County Commissioners (Board) award *Contract RFP828, Marketing and Management Services for Indoor/Outdoor Commercial Advertising Structures/Spaces and Print Media* to Brickell Communications, LLC (Brickell), Van Wagner Miami, LLC (Van Wagner), and CBS Outdoor, Inc. (CBS) to develop, provide valuations, market, sell, and manage a portfolio of indoor and outdoor commercial advertising structures/spaces (identified at County-owned properties), and print media.

The contracts will provide national and local advertisers venues for advertising within the County and generate a non-tax revenue stream for the County. The firms shall comply with all local, State and Federal rules and regulations applicable to signage (e.g., Code of Miami-Dade County 33-107 Class C Commercial Signs).

Scope

The impact of this item is countywide in nature.

Fiscal Impact and Funding Source

This contract is for five years with two, three-year options-to-renew (OTR). There is no fiscal impact in this award recommendation as the contracts are expected to generate revenue for the County.

The County currently has three contracts for specific assets that provide comparable advertising services:

- 1) *Contract No. RFP702*, a lease agreement with Van Wagner (formerly Fuel Miami LLC) for mural advertising services. From the period of June 2010 (when the contract became effective) to June 2013, the contract has already paid to the County revenues of \$1,141,771. The contract will end in 2014. There is one five-year OTR period.
- 2) *Contract TR03-ADV*, is a non-exclusive contract for the purpose of selling advertising space on transit vehicles, Metrorail stations, and the South Miami-Dade Busway. As of November 2012, the contract has brought in revenues of \$22,788,505. The ten-year term will expire in September 2014. There are no OTR periods.
- 3) *Contract No. 784*, with Urban Advertising of America, allows advertising on bus shelters, and provides maintenance at all bus passenger shelter locations, repairs bus shelters, installs energy efficient light-emitting diode lighting in the shelters, and installs real-time electronic signage. The five-year contract will expire in November 2017, and has an addition five-year OTR period. The estimated revenue is \$8,400,000.

The recommended contract award under this item does not duplicate the services provided under the three contracts listed above. Once any of the contracts above expire, the County will determine if the services provided under those contracts can be added to the contract recommended in this item.

The vendors, at their sole expense, shall utilize the preliminary asset inventory provided by the County, and identify other potential assets, to provide valuations and marketability forecasts for each asset. This inventory does not overlap the areas covered by the contracts mentioned above. The potential for revenue will be contingent on the valuations, along with various factors, including the viability and salability of the advertising structures. Revenue to the County will be based on the following Revenue Schedule (Percentage Fee, which represents a percentage of the firm's gross receipts from advertising sales):

Revenue Schedule	
Firm	Percentage Fee
Brickell	a) 60 percent on indoor and outdoor advertising at PortMiami
	b) 70 percent for countywide print media
Van Wagner*	a) 33 percent on outdoor wall mural advertising
	b) 50 percent on non-wall mural, outdoor advertising
CBS	a) 50 percent on indoor and outdoor wall mural/banners
	b) 30 percent on indoor and outdoor billboards and advertising structures

*Fuel Miami LLC's parent company was purchased by Van Wagner Communications, LLC, and as a result of such purchase the ownership structure and officers of Fuel Miami LLC have changed. The name of the entity was changed from Fuel Miami LLC to Van Wagner Miami, LLC.

The revenues collected will be appropriated by the Board of County Commissioners through the budget process. Certain revenues may have restricted uses as required by federal law. It is important to note that staff research shows the percentage of revenue negotiated in this contract is in line with the market.

Track Record/Monitor

The contract is managed by the Office of Management and Budget, Grants Coordination. The Contract Manager is Doris MacPherson. Lydia Osborne of the Internal Services Department (ISD) is the Procurement Contracting Officer.

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise, at their discretion, contract modifications, renewals and extensions in accordance with the terms and conditions of the contract.

Vendors Recommended for Award

A Request for Proposals was issued on December 3, 2012. Five proposals were received and evaluated. The three top ranked firms, Brickell, Van Wagner, and CBS are being recommended for award to provide the solicited services.

Awardees	Address	Principal	Award
Brickell Communications, LLC	201 S Biscayne Blvd 1500 Miami Center Miami, FL	James Kerwin	Print Media and Indoor/Outdoor Advertising at PortMiami
Van Wagner Miami, LLC	800 Third Avenue, 28th Floor New York, NY	Richard M. Schaps	Outdoor Advertising (Countywide)
CBS Outdoor, Inc.	405 Lexington Avenue New York, NY	Wally Kelly	Indoor and Outdoor Advertising (Countywide)

Recommendations for award are as follows:

1. Brickell - Print Media, and Indoor/Outdoor Advertising at PortMiami
Brickell is being recommended to provide countywide print media, and indoor and outdoor advertising at PortMiami. The firm's management has decades of experience in the luxury brand niche advertising industries, and currently manages outdoor and indoor media opportunities at private jet and ferry terminals and bus shelters throughout the United States, Caribbean, and South America. Through its corporate ownership and industry affiliations, the firm has the capabilities and infrastructure in place to provide the services. The percentage fee to the County will be 60 percent on indoor and outdoor advertising at Port Miami, and 70 percent for countywide print media. There are no other County contracts awarded to Brickell at this time.
2. Van Wagner - Outdoor Advertising (Countywide)
Van Wagner is being recommended to provide outdoor advertising services for the County, excluding PortMiami. The firm currently provides similar services to the County under *Contract No. RFP702, for mural advertising* on the south facade of the County's Central Support Facility. The firm currently owns and operates 24 of the 35 wall mural permits in the City of Miami. The firm is also offering the County the use of 25 bus shelter panels at no charge for its own use. This alone represents a value of \$180,000 annually. The percentage fee to the County is 33 percent on outdoor wall mural advertising, and 50 percent on non-wall mural, outdoor advertising.
3. CBS - Indoor/Outdoor Advertising (Countywide)
CBS is being recommended to provide indoor and outdoor advertising services throughout the County, excluding PortMiami). The firm is among the world's largest providers of out-of-home advertising services. The firm has the necessary experience in managing transit advertising, bus shelters and street furniture programs for transportation agencies, cities and other municipal agencies worldwide. Currently, CBS provides transit advertising services for Miami-Dade's Transit Department. The percentage fee to the County is 50 percent on indoor and outdoor wall mural/banners, and 30 percent on indoor and outdoor billboards and advertising structures.

As indicated above, vendors have been recommended for different advertising categories (indoor, outdoor, or print media). One of the primary services each vendor is required to provide is to identify and develop their separate inventory of county assets and provide valuations for those assets prior to taking them to the marketplace for potential advertisers. Additionally, the category of outdoor advertising will not include duplicate assets and the County's approval is required prior to any advertising on any asset being sold to an advertiser.

ARTICLE 7. NOTICE TO PROCEED

All Services undertaken by the Contractor before County's written approval of this Contract and any advertising agreement shall be at the Contractor's risk and expense.

ARTICLE 8. FEE SCHEDULE

Prices shall remain firm and fixed for the term of the Agreement, including any option or extension periods; however, the Contractor may offer incentive discounts to the County at any time during the Contract term, including any renewal or extension thereof. Compensation for services shall be derived from revenue generated with no additional cost to the County except as otherwise set forth herein.

The Contractor agrees to pay to the County, monthly, an amount equal to the percentages stated below, of the Contractor's monthly Gross Receipts, hereinafter referred to as a Percentage Fee, including any one time fees paid by an Advertiser under the Agreement.

The Contractor agrees to pay the County, without billing, a Percentage Fee of no less than thirty-three percent (33%) of Contractor's Gross Receipts with respect to the Agreement between the County and the Contractor hereunder for the sale of advertising space for wall murals.

The Contractor further agrees to pay the County, without billing, a Percentage Fee of no less than fifty percent (50%) of Contractor's Gross Receipts with respect to existing assets and new proposed assets, other than wall murals, subject to negotiations.

The County and the Contractor acknowledge and agree that any asset(s) that are currently or previously covered by existing County contracts shall not be added to this Agreement, unless agreed upon in writing by both parties and in any such event, only upon such terms as are mutually agreed upon by the County and the Contractor in writing.

The Contractor shall submit to the County a detailed monthly statement which will include the amount of revenue collected that month, the source, the terms of the revenue, and a calculation detailing the County's share of the revenue.

The Percentage Fee shall be paid to the County on or before the 20 day, following the end of each month during the term of this Agreement, and on or before the 20 day of the month following the expiration or earlier termination of the Agreement.

In the event that this Agreement is terminated prior to its natural expiration date for any reason other than Contractor's uncured default hereunder, the County shall reimburse Contractor for the depreciated value, as defined herein, of all of the Contractor's costs to date for the purchase, construction, erection, and installation of the advertising structures, as of the effective date of such termination. At no point shall Contractor be entitled to lost profits. Additionally, all Contractor-provided advertising structures installed under this Contract, shall be acquired by either the County or Contractor's successor at their depreciated value. For this purpose, the Contractor shall depreciate advertising structures on a straight-line basis for five (5) years from their date of installation, unless otherwise mutually agreed to in writing by the Contractor and the County prior to installation. Contractor-provided advertising structures shall include any advertising devices installed by the Contractor and approved by the County. Incidental materials used to prepare advertising copy, materials used to maintain advertising structures, and the like, will not be considered advertising devices. The Contractor shall notify the County in writing prior to any installation of the value of the device, including such value and date of its acquisition and installation. Contractor shall provide supporting documentation, including but not limited to receipts, etc. County will reserve the right to verify that costs are reasonable and within market rates. At the termination of this Contract, for whatever reason, if such notifications have not been provided for the devices, such shall be considered to be fully amortized.

At the County's sole option, at the time of the Agreement's natural expiration, all Contractor-

provided advertising structures installed under this Contract, shall be acquired by either the County or Contractor's successor at their depreciated value. For this purpose, the Contractor shall depreciate advertising structures on a straight-line basis for five (5) years from their date of installation, unless otherwise mutually agreed to in writing by the Contractor and the County prior to installation.

ARTICLE 9. SALES TAX

The Contractor shall be liable for the prevailing State of Florida Sales and Use Tax Imposed (currently at the rate of 7%) on the amounts payable to the County, including the Percentage Fees and one-time fee payments, under this Agreement, unless otherwise determined by the State of Florida. This Sales and Use Tax shall be payable to the County, when applicable fees are due. The County will remit same, less authorized handling deductions, to the State.

ARTICLE 10. METHOD AND TIMES OF PAYMENT

All fees on new contracts and assigned assets under existing contracts, as well as other amounts payable by the Contractor to the County, under the provisions of this Contract, shall be paid promptly on or before the 20th day of each month during the term of this Agreement, and on or before the 20th day of the month following the expiration or earlier termination of the Agreement, without notice for any reason whatsoever and without abatement.

In accordance with Miami-Dade County Implementing Order 3-9, Accounts Receivable Adjustments, if money is owed by the Contractor to the County, whether under this Contract or for any other purpose, the County reserves the right to retain such amount from payment due by County to the Contractor under this Contract. Such retained amount shall be applied to the amount owed by the Contractor to the County. The Contractor shall have no further claim to such retained amounts which shall be deemed full accord and satisfaction of the amount due by the County to the Contractor for the applicable payment due herein.

Fees and all other payments provided for in this Contract shall be paid or mailed to:

Miami-Dade County

The County may at any time designate a different address and/or contact person by giving written notice to the other party.

ARTICLE 11. LATE PAYMENT CHARGE

In the event that the Contractor fails to make any payments on time, by the due date, as required to be paid under the provisions of this Contract, ten calendar days after such due date, interest at the rate of 18% per annum shall accrue against all such delinquent payment(s) from the original due date, until the County actually receives payment. The right of the County to require payment of such interest and the obligation of the Contractor to pay same shall be in

addition to and not in lieu of the County's rights to enforce other provisions herein, including termination of this Contract, or to pursue other remedies provided by law.

ARTICLE 12. APPLICATION OF PAYMENTS

Payments are applied to any unpaid balance in the following manner. Any accrued late fees are first deducted from the payment. The remaining payment balance is then applied proportionately to the Percentage Fee. Any remaining balance in the payment will be applied to any other balance due.

ARTICLE 13. WORTHLESS CHECK OR DRAFT

In the event that the Contractor delivers a dishonored check or draft to the County in payment of the Percentage Fee, or any obligation arising under this Contract, the Contractor shall incur and pay a service charge of \$25 if the face value of the dishonored check or draft is \$50 or less, \$30 if the face value of the dishonored check or draft is more than \$50 and less than \$300, or \$40 if the face value of the dishonored check or draft is \$300 or more, or five percent of the face amount of such check(s), whichever is greater. For each such dishonored check, such payment shall be made within not more than five (5) days from written notice of such default. Further, in such event, the County may require that future payments required pursuant to this Contract be made by cashier's check or other means acceptable to the County.

ARTICLE 14. ACCORD AND SATISFACTION

No payment by the Contractor to the County of an amount less than the full Percentage Fee due shall be deemed an accord and satisfaction. The County may accept such check or payment without prejudice to the County's right to recover the balance of the Percentage Fee due.

ARTICLE 15. GROSS RECEIPTS

A. Gross Receipts Defined: "Gross Receipts" means all monthly receipts from revenue for sales under this Contract.

B. Contractor's Certification of Receipts: Contractor shall submit to County on or before the 20th day following the end of each month, and on or before the 20th day of the month following the expiration or earlier termination of the term of this Contract, a monthly gross sales report, backed by Florida Department of Revenue Sales Return Slip. C. Examination of Contractor's Books and Records: Such books and records as are necessary to determine the amount of the Percentage Fee payable to County shall be subject to

examination by County or its authorized representatives at reasonable times during Contractor's business hours, in such manner as not to interfere unreasonably with the conduct of Contractor's business. All information obtained by County or its authorized representatives from Contractor's books and records shall be kept confidential by County and all such representatives, except in connection with any mortgage or assignment of this Contract for financing purposes, or if subject to the requirements of Florida Public Records Act.

D. Audit of Contractor's Business Affairs and Records: County shall have the right to cause, upon five (5) days' written notice to Contractor, a complete audit of the Contractor's business records relating to this Agreement, to be made by a designated external auditing firm or other certified public accounting firm selected by the County, or the Audit and Management Services Department of the County. Contractor shall make available, for said examination at the County or at some other mutually agreeable location. If the result of such audit shall show that Contractor's statement of Gross Receipts for any period has been understated, Contractor shall pay County the amount due. If such understatement is three percent (3%) or more, Contractor shall pay County the cost of such audit in addition to any deficiency payment required, plus ten percent (10%) of any such deficiency, all of which shall be collectible hereunder as rent. A report of the findings of said accountant shall be binding and conclusive upon County and Contractor. The furnishing by Contractor of any grossly inaccurate statement shall constitute a breach of this Contract.

E. If Contractor fails to record, maintain, or make available sales supporting documentation as specified above, Contractor may be deemed by the County to be in default of this Contract.

ARTICLE 16. INDEMNIFICATION

If the insurance certificate is received within the specified time frame but not in the manner prescribed in this Agreement, the Contractor shall have an additional five (5) business days to submit a corrected certificate to the County. Where orders are given orally, they will be issued in writing by the Project Manager as soon thereafter as is practicable.
- c) The Contractor must, in the final instance, seek to resolve every difference concerning the Agreement with the Project Manager. In the event that the Contractor and the Project Manager are unable to resolve their difference, the Contractor may initiate a dispute in accordance with the procedures set forth in this Article. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.
- d) In the event of such dispute, the parties to this Agreement authorize the County Mayor or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the County Mayor's purview as set forth above shall be conclusive, final and binding on parties. Any such dispute shall be brought, if at all, before the County Mayor within 10 days of the occurrence, event or act out of which the dispute arises.
- e) The County Mayor may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether Contractor's performance or any Deliverable meets the requirements of this Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the County Mayor participated therein, or by any prior decision of others, which prior

decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Contractor to the County Mayor for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. Whenever the County Mayor is entitled to exercise discretion or judgment or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be fair and impartial when exercised or taken. The County Mayor, as appropriate, shall render a decision in writing and deliver a copy of the same to the Contractor. Except as such remedies may be limited or waived elsewhere in the Agreement, Contractor reserves the right to pursue any remedies available under law or in equity after exhausting the provisions of this Article.

ARTICLE 23. MUTUAL OBLIGATIONS

- b) Nothing in this Agreement shall be construed for the benefit, intended or otherwise, of any third party that is not a parent or subsidiary of a party or otherwise related (by virtue of ownership control or statutory control) to a party.
- c) In those situations where this Agreement imposes an indemnity obligation on the Contractor, the County may, at its expense, elect to participate in the defense if the County should so choose. Furthermore, the County may at its own expense defend or settle any such claims if the Contractor fails to diligently defend such claims and thereafter seek indemnity for costs from the Contractor.

The Miami-Dade County Audit Management Services Department or its successors, the external auditing firm of the County, and all appropriate State and Federal auditing personnel shall be permitted to audit and examine all such records relating to this Agreement, without limitations to time or frequency, during the term of this Agreement, or any extension thereof, and at any time within three (3) years of the termination of this Agreement.

ARTICLE 26. CONSENT OF THE COUNTY REQUIRED FOR ASSIGNMENT

The Contractor shall not assign, transfer, convey or otherwise dispose of this Agreement, including its rights, title or interest in or to the same or any part thereof without the prior written consent of the County, which consent shall not be unreasonably withheld. Unapproved assignment shall be grounds for immediate termination of this Agreement at the County's discretion. It is agreed that all terms and conditions of this Agreement shall extend to and be binding on assignees and other successors as may be approved by the County.

The Contractor shall not enter into any agreement with subcontractors, sub-consultants, and/or advertisers for services required to be provided under this Agreement without prior written approval of the County. It is agreed that all terms and conditions of this Agreement shall extend to and be binding on any subcontracts, including percentage payments on Gross Receipts as defined in this Agreement. All covenants, conditions, agreements, and undertakings contained in this Agreement shall extend to and be binding on the respective successors and assigns of the respective parties hereto, the same as if they were in every case named and expressed.

ARTICLE 27. SUBCONTRACTUAL RELATIONS

- a) If the Contractor will cause any part of this Agreement to be performed by a Subcontractor, the provisions of this Contract will apply to such Subcontractor and its officers, agents and employees in all respects as if it and they were employees of the Contractor; and the Contractor will not be in any manner thereby discharged from its obligations and liabilities hereunder, but will be liable hereunder for all acts and negligence of the Subcontractor, its officers, agents, and employees, as if they were employees of the Contractor. All Subcontractors are required to protect the confidentiality of the County's and County's proprietary and confidential information. Contractor shall furnish to the County copies of all subcontracts between Contractor and Subcontractors and suppliers hereunder. Within each such subcontract, there shall be a clause for the benefit of the County in the event the County finds the Contractor in breach of this Contract, permitting the County to request completion by the Subcontractor of its performance obligations under the subcontract. The clause shall include an option for the County to pay the Subcontractor directly for the performance by such Subcontractor. Notwithstanding, the foregoing shall neither convey nor imply any obligation or liability on the part of the County to any subcontractor hereunder as more fully described herein.

- b) The County may terminate this Agreement if the Contractor attempts to meet its contractual obligation with the County through fraud, misrepresentation or material misstatement.
- c) Provided the County has terminated the Agreement due to an event of cause/default by the Contractor, the County may, as a further sanction, terminate or cancel any other contract(s) that such individual or corporation or other entity has with the County and that such individual, corporation or other entity shall be responsible for all direct and indirect costs associated with such termination or cancellation, including attorney's fees.
- d) The foregoing notwithstanding, any individual, corporation or other entity which attempts to meet its contractual obligations with the County through fraud, misrepresentation or material misstatement may be debarred from County contracting for up to five (5) years in accordance with the County debarment procedures. The Contractor may be subject to debarment for failure to perform and all other reasons set forth in Section 10-38 of the County Code.
- e) At the termination of this Agreement, the Contractor shall remove all of the Contractor's property forthwith. Subject to the agreement between the Contractor and the advertiser or its agent, advertising materials displayed will not be considered Contractor's property. Any property of the Contractor not removed in accordance with this Article will be removed by the County to County storage at the cost of the Contractor. Failure on the part of the Contractor to reclaim its property within thirty days from the date of termination shall constitute a gratuitous transfer of title to the County for whatever disposition is deemed in the best interest of the County.

At termination of this Agreement, for whatever reason, all Contractor-provided advertising devices installed under this Agreement, shall be County property. Contractor-provided advertising devices shall include any advertising display units installed by the Contractor and approved by the County. Incidental materials used to prepare advertising copy, materials used to maintain advertising devices, will not be considered advertising devices. The Contractor shall notify the County in writing prior to any installation of the value of the device, including such value and date of its acquisition and installation. At the termination of this Agreement, for whatever reason, if such notification has not been provided for the devices, such shall be considered to be fully amortized, in accordance with Article 8 of this Agreement.

At termination of this Agreement, for whatever reason, all advertising material under unexpired contracts shall remain in the display device in which it was installed at the time of termination to the extent not required to be removed by the advertiser. All materials to which advertising copy is bonded or attached or is required to maintain the advertising copy in the display device, shall become the property of the County, provided the County reimburses the Contractor as required in Article 8 of this Agreement.

Subject to the consent of the respective advertiser or agent, the Contractor hereby grants the County or successor contractor the right to acquire at the termination of this Contract for whatever reason, all unexpired contracts for advertising for assignment to and continued servicing by the County or its successor Contractor. The County, or its successor contractor, shall remit to the Contractor for the unexpired contract term or for six months, whichever occurs first, a twenty percent commission on collected revenues.

- f) Notwithstanding the foregoing, in the event that the Contractor has repetitively defaulted (4) four times within a 12 month period, in the performance of or breached any of the terms, covenants and conditions required herein to be kept and performed by the Contractor, regardless of whether the Contractor has cured each individual condition of breach or default as provided herein above, the Contractor may be determined by the County's Project Manager to be an "habitual violator". At the time that such determination is made, the County shall issue to the Contractor a written notice advising of such determination and citing the circumstances therefore. Such notice shall also advise the Contractor that there shall be no further notice or grace periods to correct any subsequent breaches or defaults and that any subsequent breach(es) or default(s), of whatever nature, taken with all previous breaches and defaults, shall be considered cumulative and, collectively, shall constitute a condition of non-curable default and grounds for immediate termination of this Agreement. In the event of any such subsequent breach or default, the County may terminate this Agreement upon the giving of written notice of termination to the Contractor, such cancellation to be effective upon the tenth (10) day following the date of receipt thereof and all payments due hereunder shall be payable to said date, and the Contractor shall have no further rights hereunder. Immediately upon receipt of said notice of termination, the Contractor shall discontinue its operations, and proceed to remove all its personal property in accordance with this Agreement.
- g) The termination of this Agreement, for any reason whatsoever, shall not relieve the Contractor of its obligation to make any payments which are due and unpaid at the time of such termination.
- h) In the event that the County exercises its right to terminate this Agreement, the Contractor shall, upon receipt of such notice, unless otherwise directed by the County:
 - i. stop work on the date specified in the notice ("the Effective Termination Date");

 - iv. assign to the County and deliver to any location designated by the County any non-cancelable orders for Deliverables that are not capable of use except in the performance of this Agreement and has been specifically developed for the sole purpose of this Agreement and not incorporated in the Services;
 - v. take no action which will increase the amounts payable by the County under this Agreement; and
- i) When, in the opinion of the County, reasonable grounds for uncertainty exist with respect to the Contractor's ability to perform the Services or any portion thereof, the County may request that the Contractor, within the timeframe set forth in the County's request, provide adequate assurances to the County, in writing, of the Contractor's ability to perform in accordance with the terms of this Agreement. Until the County receives such assurances, the County may request an adjustment to the compensation received by the Contractor for portions of the Services which the Contractor has not performed. In the event that the Contractor fails to provide to the County the requested assurances within the prescribed timeframe, the County may:
- i. treat such failure as a repudiation of this Agreement; and
 - ii. resort to any remedy for breach provided herein or at law, including but not limited to, taking over the performance of the Services or any part thereof either by itself or through others.

Notwithstanding, the County will allow the Contractor to rectify the default to the County's reasonable satisfaction within a thirty (30) day period. The County, in its sole discretion, may grant an additional period of such duration as the County shall deem appropriate without waiver of any of the County's rights hereunder, so long as the Contractor has commenced curing such default and is effectuating a cure with diligence and continuity during such thirty (30) day period or any other period which the County prescribes. The default notice shall specify the date the Contractor shall discontinue the Services upon the Termination Date.

ARTICLE 32. REMEDIES IN THE EVENT OF DEFAULT

If an Event of Default occurs, the Contractor shall be liable for all damages resulting from the default, including but not limited to:

Contractor shall at all times comply with the terms and conditions of each license and permit as it applies to the jurisdictional area where the marketable asset is located.

ARTICLE 42. COUNTY'S REPAIR, ALTERATIONS AND ADDITIONS BY THE COUNTY

The County, as its responsibility, and at its expense (except if the damage is caused by

Contractor, its employees, agents, or subcontractors), shall make all repairs and replacements, structural and otherwise, necessary, or desirable in order to keep in good order and repair the foundations, roofs and structural soundness of floors and walls of the buildings where advertising structures are located. There shall be no allowance to Contractor for a diminution of the percentage fee for interruption of business and no liability on the part of the County by reason of inconvenience, annoyance, or injury to business arising from the County, Contractor or others making any repairs, alterations, addition, improvements, restorations, or replacements, in or to any portion of any property where marketable assets are located, or to fixtures, appurtenances, or equipment thereof. The County shall have the absolute right to make repairs, alterations, and additions to any structures and facilities, including the property under this Agreement, free from any and all liability to the Contractor for loss of business or damages of any nature whatsoever during the making of such repairs, alterations, and additions. In making such repairs, alterations, and additions, the County shall take such reasonable measures as are necessary to minimize interference with Contractor's operations of the property, for short term disruption of one week or less to Contractor's business, where adequate accommodations can be made to minimize the inconvenience and injury to Contractor's business.

ARTICLE 43. LIABILITY FOR DAMAGE OR INJURY

The County shall not be liable for damage or injury which may be sustained by any party or persons on the property where advertising structures/space are located other than the damage or injury solely caused by the negligence or intentional actions of the County, its agents and employees while in the course of County business, and as limited by Section 768.28, Florida Statutes.

d) In the event any Deliverable or anything provided to the County hereunder, or portion thereof is held to constitute an infringement and its use is or may be enjoined, the Contractor shall have the obligation to, at the County's option to (i) modify, or require that the applicable subcontractor or supplier modify, the alleged infringing item(s) at its own expense, without impairing in any respect the functionality or performance of the item(s), or (ii) procure for the County, at the Contractor's expense, the rights provided under this Agreement to use the item(s).

e) The Contractor shall be solely responsible for determining and informing the County whether a prospective supplier or subcontractor is a party to any litigation involving patent or copyright infringement, service mark, trademark, violation, or proprietary rights claims or is subject to any injunction which may prohibit it from providing any Deliverable hereunder. The Contractor shall enter into agreements with all suppliers and subcontractors at the Contractor's own risk. The County may reject any Deliverable that it believes to be the subject of any such litigation or injunction, or if, in the County's judgment, use thereof would delay the Work or be unlawful.
